

## SEI-YV Certification

### Add-on to EQ Assessor (SEI) Certification.

#### Progress Checklist

	Attend the 90 minute SEI-YV class online or participate in the live EQTE course.
	Set up a project and administer two or three SEI -YV assessments. (If you did more three or more SEI debriefs, you can just do two SEI-YVs.) Preferably, use one younger and one older youth. Do not use your own children for debriefs for this class.
	Debrief one returned report with your instructor or designee.  Contact your instructor when you are ready for that practice debrief, and we'll set up this meeting time.
	Complete your two SEI-YV "real" debriefs with youth.
	Complete Module 1 in the <a href="#">SEI-YV e-learning site</a> . Write a two paragraph reflection on your SEI-YV debriefs, which is included in the e-learning quiz for module 1. Same as above, focus on your learning process.  Complete Module 2 in the <a href="#">SEI-YV e-learning site</a> .
	You have completed the SEI-YV portion of the certification.
